

Severe Weather Procedure

In extreme weather conditions, a decision will be made about the school's closure as close to 7.30 am as is practically possible.

We shall also email all parents who are on our school "Catch Up" mailing list.

Should it be necessary to close the school, this information will be placed on the school's website, the school's facebook site and on County's school closure list. The local radio stations are able to access this and should give up-to-date information on the air.

You may also log on to

schoolclosures@slp.somerset.gov.uk for information.
