

Churchstanton Primary School

Extra Time Club (The Fox Den) Breakfast Club Policy

Chair of Governors	Mr Jon Wood
Headteacher	Mr Matt Watson
Date Approved	July 2024
Proposed Review Date	July 2025

Our ETC provides high quality, affordable childcare for primary school children attending Churchstanton Primary School.

Our Out of School Clubs are open five days a week (Monday to Friday) during term-time only.

The times of the ETC sessions are:

Breakfast session: 07:50 – 08.40

After-school (The Fox Den) session: 15:15 – 17.30

ETC does not operate on Bank Holidays or school INSET Days. The after school provision is closed on the last day of the Autumn Term (before Christmas) and Summer Term (end of school year).

We recognise that the safe arrival and departure of the children in our care is paramount.

The manager will ensure that an accurate record is kept of all children in the Club, and that any departures are recorded in the register. The register is kept in an accessible location on the premises at all times. In addition we conduct regular headcounts during the session.

Breakfast Club

Parents must hand their child directly to staff and sign them in. Children must arrive by 8.30am if they require breakfast.

After-School Club

Children will be collected from their teachers on the playground by a member of Extended School staff.

If a child is booked into ETC (The Fox Den) but is not at the collection point, we will check whether the child was present at school that day. If the whereabouts of the child is not known, staff will immediately inform the designated contact at the school and the child's parents or carers.

Arrivals

Staff will record the child's attendance in the daily register, to be completed straight away.

Departures

Staff will require that parents or carers sign children out before they leave, including the time of collection.

Children can only be collected by an adult who has been authorised to collect them on their data collection form.

The child's parents or carers must inform ETC and provide a one time password, in advance, if someone who is not listed on the registration form is to collect the child. The manager will contact the main parent or carer for confirmation if they have any concerns regarding departures.

The parent or carer must notify ETC if they have been unavoidably delayed collecting their child. If Extended School is not informed, the **Non-Collection of Child** policy will be followed.

Absences

If a child is going to be absent from a session, parents must notify the Club in advance.

Admissions and Fees

Our ETC is registered with Ofsted. We provide care for children from Reception class to Year 6.

Places are offered on a first-come first-served basis. When all places have been filled a waiting list will be established, with the following order of priority:

1. Siblings of children already attending the club
2. Significant long term family difficulties (at the discretion of the Headteacher)

Registration

When an enquiry regarding places is made, parents or carers will be given all the relevant ETC information. The child will be able to attend ETC as soon as the completed forms are received. If no places are available the parent will be informed. As soon as suitable places become available parents will be informed. Children are registered automatically on registration to school and will receive information on wraparound care in their welcome packs.

Booking procedure

Bookable on parentpay, unless in exceptional circumstances when you can call the school office to request attendance. This could include an emergency situation on the day, although we cannot guarantee a space will be available.

Permanent place

By booking before or after school care, you are securing a place for your child. In common with other childcare providers, once booked, if a child does not attend for any reason, you will still be charged for their place.

Fee structure

Fees are charged at £2.50 for Breakfast Club and £4.50 for After School Club per session (The Fox Den)

ETC recognises that childcare can be costly, so we encourage eligible parents or carers to claim the childcare element of the Universal Credit.

- There is a charge of £5.00 for late collection.
- The club accepts childcare vouchers. Please contact your childcare voucher provider and arrange registration with the school.
- Fees are charged for booked sessions whether the child attends or not.

Payment of fees

Fees are reviewed annually. Any queries regarding fees should be directed to the school office.

We accept payment by:

- Parent Pay
- Electronic childcare vouchers

Payment will be required in advance on booking.

If fees are not paid, ETC will write to the parent or carer, requesting payment. If the parents or carers are having difficulty making the payment on time we recommend that they contact the Headteacher as soon as possible. **Please note that while there is an outstanding debt with out of school clubs, you will not be able to book more sessions.**

The school will contact the parents or carers to discuss payment options. The school may issue a formal warning to the parent or carer informing them that continued late payment will result in not being able to book more ETC sessions.

If the fees remain unpaid after all the above options have been explored, the debt will be passed to the school's solicitors for recovery.

Late collection charges

If a child is collected late from the after-school sessions, i.e. after 5:30pm, then in addition to the cost of the session a late payment charge of £5.00 will apply.

Cancellations

In the event that the whole school is closed (e.g. due to extreme/adverse weather conditions or in the event of industrial action) then ETC will not operate. In these circumstances any pre-booked and paid for sessions will be credited to a future date.

Uncollected Children Policy

ETC endeavours to ensure that all children are collected by a parent or carer at the end of each session. If a child is not collected, and the parent or carer has not notified us that they will be delayed, we will follow the procedure set out below:

Up to 10 minutes late

- When the parent or carer arrives they will be reminded that they must call ETC to notify us if they are delayed.
- The parent or carer will be informed that penalty fees will have to be charged (unless the delay was genuinely unavoidable).

Over 10 minutes late

- If a parent or carer is more than 10 minutes late in collecting their child, the manager will try to contact them using the contact details on file.
- If there is no response from the parent or carer, messages will be left requesting that they contact ETC immediately. The manager will then try to contact the emergency contacts listed on the child's registration form.
- While waiting to be collected, the child will be supervised by at least two members of staff.
- When the parent or carer arrives they will be reminded that they must call ETC to notify us if they are delayed, and that the penalty fee will have to be charged (except in exceptional circumstances).

Over 20 minutes late

- If the manager has been unable to contact the child's parents or carers after 20 minutes, the manager will contact the local Social Care team for advice.
- The child will remain in the care of two of the ETC staff, on the school premises, if possible, until collected by the parent or carer, or until placed in the care of the Social Care team.
- If it is not possible for the child to remain on school premises, a note will be left on the front gate and reception door informing the child's parent or carer where the child has been taken (e.g. into the care of a safeguarding agency) and leaving a contact number. A further message will be left on the parent or carer's telephone explaining events.

Managing persistent lateness

The manager will record incidents of late collection and will discuss them with the child's parents or carers. Parents and carers will be reminded that if they persistently collect their child late they may not be able to keep attending.

Missing Child Procedure

At ETC we are always alert to the possibility that children can go missing during sessions. To minimise the risk of this happening staff will carry out periodic head counts during the session.

If a child cannot be located, the following steps will be taken:

- All staff will be informed that the child is missing.
- Staff will conduct a thorough search of the premises and surrounding area.
- After 10 minutes the police will be informed. The manager will then contact the child's parents or carers.
- Staff will continue to search for the child whilst waiting for the police and parents to arrive.
- We will maintain as normal a routine as possible for the rest of the children at ETC.
- The manager will liaise with the police and the child's parent or carer.

The incident will be recorded. A review will be conducted regarding this and any other related incidents along with relevant policies and procedures. We will identify and implement any changes as necessary.

Management Structure

ETC is managed directly by the school. This means the Supervisor reports directly to the Headteacher. The local Governing Body also play a role in overseeing the delivery of the Club and decisions relating to its future.

Staffing

All staff who work at ETC are suitably qualified and are subject to Disclosure and Barring checks (DBS) to ensure that they can carry out their role safely and effectively.

Staff will aim to build up settled relationships with each child and his/her parents in order to tailor care to individual needs.

The required child to adult ratios followed at school are also followed at Extended Schools.

Staffing arrangements meet the age and needs of all children and ensure their safety.

Safeguarding

ETC adopts the school's Safeguarding Policy in line with the KCSIE 2024 document. The Manager is responsible for liaison with local statutory children services agencies and with the LSCB, and has regular training to ensure that he/she can carry out the role effectively. All members of Extended School staff have received safeguarding training in line with other school staff.

Where a member of Extended School staff has a safeguarding concern, this is reported in writing to the school's DSL in line with the School's Safeguarding procedures.

If you wish to contact club staff during the session please use the ETC number which is 01823 601354. After school hours a member of ETC will answer the phone.

First Aid, Health & Safety

At least one member of staff per session holds a first aid certificate. There is a first aid box accessible with appropriate content for use with children at all times.

ETC follows the same guidelines for managing medicines as the rest of the school. Extended School staff cannot administer medications: parents/carers must fill out a medicine form if they wish prescription medication to be taken by their child. These are available from the school office reception area or you can request one from breakfast club staff.

Children should be collected from fox's where they can be signed out. The car park gate is open from 15:15 and 17:30.

Collecting adults should make sure both gates are closed at all times behind them to keep the children safe.

ETC staff ensure that the learning spaces are fit for purpose and follow the school's Health and Safety guidelines.

Fire exits are clearly identified and kept free from obstruction. There are clear procedures for evacuating the building in the event of a fire.

ETC, alongside the Primary School, operates a strict, no smoking policy on our site.

All children are signed both in and out of ETC. Staff will only release children into the care of individuals who have been notified to the school by the parent.

ETC use the school's risk assessments. Where appropriate, a dedicated risk assessment is carried out by the club.

Behaviour

ETC will follow the guidelines for both rewards and sanctions as set out in the school's behaviour policy.

Activities

We offer a wide range of fun, stimulating and relaxing activities including outdoor play, arts and crafts, cooking, messy play and make links to the school curriculum for termly projects.

We believe that play should be challenging, stimulating and provide opportunities for personal and social development but above all we want the children to have fun.

We therefore aim to strike a balance between structured and unstructured play opportunities encouraging the children to choose for themselves what they want do.

Please be advised that our Out of School Club is a registered provision and as such you may be able to claim up to 80% back of your childcare costs under the Childcare Element of the Working Families Tax Credit. For more information on how to find out if you are eligible and how to claim, please phone the Tax Credit Helpline on 0845 3003900.
