

COVID 19 Addenda May 2020

This supplement is an addition to Churchstanton Primary School's Behaviour policy. This will be shared with all parents before children return to school on June 1st 2020. This policy applies to **all** children regardless of additional needs or status as a key worker or vulnerable child.

Support for this addition to our policy has been taken from this Government guidance issued on May 18th 2020. <https://www.gov.uk/government/publications/covid-19-school-closures/guidance-for-schools-about-temporarily-closing#behaviour-and-exclusions>

Sharing Expectations

Information regarding changes to school health and safety procedures will be shared with all children and staff on the return to school on 1st of June, to make sure everyone is clear about the new expectations. These expectations will be found in the school's most recent risk assessments and new Coronavirus Prevention posters for pupils and staff.

Consequences for Accidental Infringements

If a child accidentally breaks or disregards the guidelines, for example, if a child unintentionally breaks social distancing advice, puts items in their mouths (pens, jumpers etc), or is not following instructions given by adults or not following hygiene rules, the following sanctions from our usual Behaviour Policy will apply:

1. Friendly warning will be given and a reminder of the rules discussed.
2. Firm warning will be given and a reminder of the rules given again and notice that a concern point will be given if the behaviour is repeated.
3. Concern point is given. Child will complete a review sheet during break time to reflect on the unwanted behaviour and what they can do differently to keep themselves and others safe. Parents/Carers will be contacted and a conversation will be held about how the child can be supported to return to school safely.

Deliberate Infringements

If a child wilfully puts or threatens to put the health of others at risk, for example, threatens to cough, spit, lick, to break social distance, or not follow hygiene or other instructions, then the following sanctions will apply:

1. The child will be immediately isolated with a member of staff in full PPE until parents can come to collect them. A conversation will be held with parents/carers about how the child can be supported to return to school safely.
2. If unsafe behaviour continues on the return to school, the school will discuss provision for the child to continue their education at home through our Home Learning Support during the COVID-19 crisis.
