## Newsletter: 3rd December 2021

Dear Parents and Carers,

Preparations are well underway for our Christmas performances that, as you know, will be recorded this year. My Headteacher colleagues and I were very disappointed to see the contradictory messages coming from the Government this week and in particular, the Prime Minister, who seems *not* to be aware of Local Authority alerts as a response to local infection rates. It is easy for politicians to make popular statements that appeal to the public, but we made the very difficult but necessary decision to record our celebrations again this year in an effort to safeguard your family Christmas celebrations. Cramming over 100 people into our hall, even with ventilation and other precautions in place, is not a risk we felt was worth taking. Instead, you as parents will have a professionally produced DVD to keep of your child's performance forever. All I have is a vague memory of my sons dressed as a cow and a shepherd and would have loved a video to look back on now! Thank you to all parents and carers who have shown understanding of the situation and supported our decision.

Mrs Berry has been rehearsing with the choir and both KS2 classes and is very pleased with progress so far. Mrs Holt and KS1 are very excited to be able to share their production of "The Sleepy Shepherd" very soon. Tea-towels at the ready!

The children will be visiting St Peters & St Pauls Church during the last week of term to take part in a Christmas Tree decorating festival. The children have all made individual decorations to hang on the tree for a special Christmas celebration where many local groups and businesses have sponsored a tree to raise money. Our theme was Gratitude. Do try and make time to visit as it promises to be really beautiful.

Our school Christmas Tree is up and has been beautifully decorated by our Year 6 pupils as is our tradition here at school. The tree was kindly donated to us by Langford Lakes Christmas Tree Farm and is a 7ft Nordman Fir - very impressive (even more impressive than the one in Trafalgar Square!) As it will last for a good few weeks and is a "no drop" variety, we thought it would be wonderful to raffle the tree off so that someone can take it home on the 17th December to enjoy for the rest of Christmas. Raffle tickets have been sent home in your child's book bag this week. If you would like to be in with a chance to win this wonderful tree (worth £60!) we are asking for a £1 per ticket. Just return one ticket with your name on in the envelope provided and retain the other ready for the draw. This will take place on Monday 13th December and winners will be notified by email.

Have a lovely weekend.

Kind Regards, Mrs. C. Halstead

# Classroom Catch-up

## Hedgehog Class

Nativity rehearsals are well underway in Hedgehog class and the children are very excited about becoming film stars !

In English we are reading *Stickman* by Julia Donaldson. We have made stick characters and created stories about them in the forest. We have been learning about the illustrator Axel Scheffler and we have painted our own stick man scenes. We will use these illustrations to write our own stories next week.

## Squirrel Class

I would like to say a massive well done to all the children in Squirrel Class for their motivation and perseverance with their tests this week. You have all done brilliantly well at handling the pressures that can come with testing and you should be very proud of yourselves. You can breathe again now!

We are also well on our way to creating our newspaper articles for the San Francisco earthquake of 1906, linking our Geography learning around Earthquakes and Volcanoes to our writing. Squirrel Class are currently creating live volcanoes with Mrs Adams in Forest school. Many lovely pictures to follow!

We have also enjoyed decoration day in which we decorated our own wreathes, ready to put up. Also, for our enterprise, we have created advent calendars! Due to go on sale the beginning of next week, so keep an eye out for these also!

## Badger Class

Badger Class have worked very hard this week on their assessments and have done very well! It is a difficult week for many and yet they have coped with it really well and should be very proud of themselves!

We have now finished our *Chill Con Carne* food writing in English and children will be able to bring photocopies of their finished work home just in case they want to try making it again! Below are some photographs of the children enjoying their cooking session.

## Attendance

This week, the **Golden Gnome** for attendance is awarded to **Squirrel Class** Well done! If you're in school - you're learning! Keep it up!

## Notices and reminders:

### Hot School Lunches — reminder!

Please ensure that lunches are booked, and paid for if applicable, for the weeks commencing the 3rd, 10th, 17th and 24th January by no later than 12th December.

Any lunches not booked by then will not be processed for the new year.

If you are experiencing any difficulties, please contact Hazel in the school office.

The new school lunch menu is now live.

### Spare Wool

If any parents/Carers have any spare wool or yarn that can be donated for the Forest School, please hand it in to the school office.

### Pupil Christmas Cards

Any children who wish to send Christmas cards to their friends this year will be able to do so from next week. We are planning to do this within each Key Stage to keep bubbles from mixing. Cards should have the child's name clearly on the envelope and "posties" from each class will take turns to deliver them to their friends.

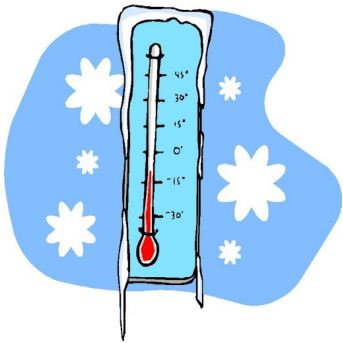

### Winter weather procedures - timely reminder for all parents/carers!

As winter approaches, I would like to remind you of our procedures for any Snow closures. We will make the decision to close the school due to bad weather, snow or ice before 7.30am on the day.

This decision will be communicated to you in the following ways:

- **Via email to all parents - be sure to check your emails on the day.**
- **Via the School closure notification website <https://www.somerset.gov.uk/education-and-families/school-closures/>**
- **Via our School Facebook account**

Should it be necessary to close the school for a day or two, these will be treated as "snow days". If the closure is longer, then we will revert to remote learning via Google Classroom to ensure your children's education is not disrupted any further. Fingers crossed for a disruption free winter!

### Christmas Tree Raffle - reminder

Raffle tickets have been sent home this week in book bags!

Do get your £1 in before the draw date — Monday 13th December.

It's a beauty!

### Choir Club

Please note that choir club will be held after school on **Wednesday 8th December** instead of Thursday. If you usually attend it would be lovely to see you all, but I realise that this may not be possible for all. If your child can attend this session, please ensure you book their place on the new, one off, choir club item on ParentPay. This will be live for bookings as of **Friday 3rd December**.

  
*Just a friendly reminder...*

If your child develops symptoms of COVID-19, please **DO NOT** send your child to school. Contact the school office and leave a message on **01823 601345** **and** email **[sch.105@educ.somerset.gov.uk](mailto:sch.105@educ.somerset.gov.uk)** **and your child's class account** to be sure that the message is received. You should organise for your child to take a PCR test via the NHS online portal or by calling 119. Members of the household do not need to isolate unless they themselves have symptoms.

### Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

### How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

#### **Do:**

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

**Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>**
