Dear Parents and Carers,

A warm welcome back to school life and thank you for making me feel so comfortable in my new surroundings. All the children have settled in beautifully and enjoying their new routines and subject theme Healthy Futures. In addition when walking around the school it is great to see the children catching up and confidently embracing the exciting challenges of joining a new year group and in some cases a change of classroom.

Last week was a fantastic inception to school life and as a new Head teacher I feel privileged to be leading in such a wonderful and vibrant school with such incredible pupils and staff. During last week as we know Queen Elizabeth II passed away. To signify this event, we had a one minute silence in the playground led by Mrs K Holt and for each decade The Queen had reigned, June Richards rung the school bell. During this tribute the children behaved in an exemplary manner.

Recently we had also received a letter from the Lady-in -Waiting, Annabel Whitehead thanking all Churchstanton pupils for their letters during the Platinum Jubilee, which was a fitting reflection of their hard work and pertinent to the current situation. It also marked a testament of The Queen's dedicated link with people and communities such as ours in the past. We celebrated her significance through our awards assembly and the children were delighted with The Queen's letter and response. During the mourning period we have invited children at their own discretion to view our school dedication (in the school hall) as pictured below.

Again thank you for being so welcoming and supportive in my first two weeks and I look forward to meeting and getting to know more of you as the term proceeds.

Have a fantastic weekend,

Mr M Watson

Attendance

This week, the Golden Gnome is awarded to ...

Hedgehog Class!

Well done! Good attendance is directly linked to good progress. Keep it up!

Classroom Catch-up

Hedgehog Class

The children have settled back into Hedgehog class brilliantly ready for the year ahead.

Our new reception have joined us with enthusiasm and smiles. They have been very busy learning their phonics and numbers.

To introduce our new book 'Five Bears' by Catherine Rayner we went on a bear hunt and found Five bears in our forest. We then investigated where they came from.

In Art we have been experimenting mixing primary colours to make secondary and tertiary colours. We looked at the paintings of Mark Rothko and how he used colours for his 'Colour Field' paintings.

Squirrel Class

I would like to say welcome to the new Year 3's and welcome back to the new Year 4's. All the children are settling in well into the class and are enjoying our learning around Ancient Egypt. So far, we have been learning facts about Tutankhamun's tomb that we will be using to create our narrative stories. We have also been looking at Ancient Egyptian pottery, designing our own patterns and beginning to plan the shapes of our pots that we will be creating at the end of our project.

Thank you, Squirrels, for a very successful and focused start to our term.

Badger Class

Since returning to school last week, our new Badger Class have made an excellent start. We have introduced our new topic 'Healthy Futures' and they began by writing a letter to their future selves. In

Science they have started to learn about the human body and how the circulatory system works by becoming the blood cells which are pumped around the body. We have also begun finding out about the Anglo-Saxons and where they came from. We are looking forward to lots of exciting learning opportunities this term.
