RSHE		How can we be a good friend?	What strengths, skills and interests do we have?	What are families like?	How can we manage our feelings?	What keeps us safe?	How can we manage risk in different places?	What makes a community?	How can our choices make a difference to others and the environment?	Why should we eat well and look after our teeth?	Why should we keep active and sleep well?	How will we grow and change?	How do we treat each other with respect?
